

# October Is Computer Learning Month!

Go to our School Web page [www.kempsvillemeadowses.vbschools.com](http://www.kempsvillemeadowses.vbschools.com) and click on the Computer Learning Month link to access the web links on this calendar. Try a different activity each day. Record which activities you have completed on your calendar (have your parents initial each one you complete) and return at the end of the month to your teacher.
